Use of Photographic and Video Material Taken at the Event by the Attendee

To comply with all applicable laws and regulations, BMC imposes certain restrictions on the use of multimedia at its events (e.g. photography, video, audio, online streaming and all future media). You are permitted to use hand-held cameras and/or smart phones to take photographs and capture digital images for personal and private, non-commercial use, including posting such photographs and digital images on social media (e.g. LinkedIn or Twitter), provided that the content thereof is not disruptive and does not infringe upon the rights of BMC, any other Event attendee and/or a third party. Such infringement would include, but is not limited to, defamation or infringement of intellectual property rights. Photographs and digital images may not be copied, altered, published, sold, reproduced, transmitted, distributed or otherwise commercially exploited in any manner whatsoever.

All other uses of photographs and digital images must be pre-approved by BMC before use; BMC retains the right to revoke consent and to make changes to this policy at any time.
