

BMC Helix Digital Workplace 20.x: Administrator

■ Certification
 ■ Web-based Training
 ■ ASP
 ■ Instructor-led Training

About the Product:

BMC Digital Workplace (formerly called BMC MyIT) is a next-generation, self-service application for business users to connect with IT and HR anywhere, anytime, on any device. Users are encouraged to share their experiences and post status updates about the resources that concern them. IT can analyze the conversations around resources to gain insight into service usage trends, in order to plan for the organization's future needs more efficiently.
